Host Preparation

Here are a few tips to help you prepare yourself and your cast for the murder mystery.

Read the Guide on How to Host a Host-Party Murder Mystery. This guide will give you all the specifics on preparing for and hosting your party. This guide should have been emailed to you upon purchase. It is also available from the Materials menu on the Host-Party website.
**Guest Instructions**

**Before The Party**

With your invitation, you should receive these instructions and details of the character you are going to play together with your costume ideas and a pre game clue. (This clue helps to set the scene for the evening’s events).

Follow the costume suggestions but feel free to improvise wherever you prefer.

**On The Night**

On arrival at the party you may be given a nametag or label (please be careful with delicate fabrics). The host will then make an announcement about what has just happened and the mystery will begin.

You will be given your player clues and the events will unfold. On your first slip is some secret information, which you should not reveal unless directly challenged. Your slip will also tell you whether you are the murderer or not. If you are the murderer you may lie as much as you like. If you are not the murderer you must tell the truth.

As the evening progresses you will be able to ask and answer questions, read clues and form your opinion as to the identity of the murderer.

At the end of all the rounds the host will ask each player to make an accusation, giving reason, motive and method, of who they think is the murderer.

After everybody has made their accusations the host will then ask the players to read their solution round slip in strict number order, starting with the lowest number first. Each player then reads his or her own section until the murderer is revealed.

General Clue (Share with all Guests)

INTRODUCTION PART 1 (TO BE READ BY DI WRECKED AT THE START OF ROUND 1)
Good evening everybody and welcome to Spooky Castle, the 11th century English Castle full of ghosts and ghoulies and things that go bump in the night. It is great that so many of you have come dressed as your favourite ghost. I hope that will encourage the resident ghosts of Spooky Castle to make an appearance.

We are here tonight to film the latest episode of Spooky TV’s Really Haunted with our presenters, Sue Perr-Nattrall and Parry Normal. We will shortly be starting to film the feast that we have planned for tonight in the Great Hall here at Spooky Castle.

I am Di Wrecked, the producer of Really Haunted, and it is my job to ensure that everything goes smoothly on tonight’s show. I think that the show this evening will be really special. Sue seemed to be certain that we would have an exciting night and I know that our resident medium, Lee Vussalown, has been hearing all sorts of voices before we start.

I can see that Parry Normal is ready but there is no sign of Sue yet… I wonder where she is.

Oh here’s Lotta Spooks, the castle’s owner and Sue’s sister. She looks upset about something. What’s the matter Lotta?

INTRODUCTION PART 2 (TO BE READ BY LOTTA SPOOKS AT THE START OF ROUND 1)
Oh dear, oh dear, it’s awful, I have some terrible news, something awful has happened, oh dear, oh dear….

I was having a last minute check around before the show was due to start at 7.30 and I saw a bundle of clothes on the floor inside one of the old dungeons. I went to tidy them away but it wasn’t a bundle of old clothes at all, it was Sue, and what’s worse, she’s dead. Oh dear, oh dear…

I’ve rung the police and they say that we must all stay here until they get here and ask a lot of questions. Oh dear, oh dear, my poor sister.
Round 1 Clue for Ann Thology

REVEAL THIS INFORMATION NOW

Hello everybody. My name is Ann Thology and I am a writer and paranormal investigator. My first book, The Spookiest Places in England, was a massive seller and has been accredited with starting the current trend for ghost walks, ghost hunting and TV shows on those themes. I have had a few run-ins with Sue over the years as we often disagreed about how haunted certain places were. However they were all professional arguments and we often made up and had a drink together afterwards.

REVEAL THIS INFORMATION NOW

Hi everyone. I am Buster Ghost and I am a professional ghost hunter. I am also a professional treasure hunter, which can sometimes be a bit more lucrative than hunting ghosts. I have been working in the vicinity so, when the film crew turned up, I offered my local experience. If there are any ghosts here tonight then, with my sensors and recorders, I will help you to find them. I am particularly proud of my ectoplasmic detector which is of my own design.

Round 1 Clue for Di Wrecked

clue

REVEAL THIS INFORMATION NOW

Good evening ladies and gentlemen and welcome to Really Haunted, the flagship TV programme from Spooky TV. I am Di Wrecked, the producer of the show, and I would like to apologise to everybody for tonight’s unfortunate events. We at Spooky TV would like to think that we look after our employees and it is very unusual for somebody to die on one of our shows. Maybe one of the nastier spooks crossed over to wreak physical vengeance on Sue for interfering with their peace. Anyway I am sure that the show will go on and will become a really famous episode.

Good evening fellow searchers for the secrets of the spirit world. I am Lee Vussalown the world famous medium. I have been the resident medium on the show for the last two seasons and I feel that I have added a professional dignity to the show after some of the tacky shows in the first couple of seasons. Even before Sue’s death I was getting a bad feeling about the show with a number of the resident spirits claiming that they were calling one of the people here tonight to join them. I will see what else I can pick up as the night goes on.
